

NEW FORD TRACTOR

HYDRAULIC AND LOADER OILS

Ford Tractor **HYDRAULIC OILS**

When you use Ford Tractor Hydraulic Oil in the hydraulic system of your Ford or Fordson Major Tractor the label on the can is your assurance that you have the genuine product to give you peak performance . . . quick, positive, dependable hydraulic action . . . no excessive foaming . . . no sluggish flow. That's because Ford Tractor Hydraulic Oil (available in two grades to meet different temperature conditions for different tractor models) is made to close specifications, tried and proven in thousands of Ford and Fordson Major Tractors. Order from your Ford Tractor Dealer in either 2 gal. or 5 gal. reusable cans.

Ford **LOADER OIL**

Here's the oil that's made especially for the independent hydraulic systems in equipment used with Ford or Fordson Major Tractors. The new Ford Loader Oil in Ford Loaders, and other hydraulic equipment is your best assurance of full hydraulic power, smooth operation and quick, positive response to controls. You can be sure it's genuine when you buy Ford Hydraulic Oil in the convenient reusable 2 gallon can with the Ford label.
